Town Warrant

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Kingston in the County of Rockingham in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Kingston on Tuesday, the eighth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to raise and appropriate the sum of \$338.47, and the State will contribute \$1,353.86 for class V highways, under the provisions of the T.R.A. so called.

4. To see if the Town will vote to raise and appropriate the sum of \$500.00 to continue the permanent construction of the New Boston Road.

5. To see if the Town will vote to raise and appropriate the sum of \$500.00 to continue the permanent construction of Great Pond Park Road.

6. To see if the Town will vote to raise and appropriate the sum of \$300.00 for a new sink and Hot Water Heater for the Town Hall kitchen.

7. On petition of the Building Committee to see if the Town will vote to raise and appropriate the sum of \$3,655.44 to cover the deficit for the construction of the new Fire House. The above sum plus interest to be covered by a note for three years, payable one-third annually after the final payment on the present notes.

8. On petition of the Building Committee to see if the Town will vote to raise and appropriate the sum of \$1,350.00 for the expense of installing a Heating system in the new Fire House. The above sum plus interest to be covered by a note for three years, payable one-third annually after final payment on the present notes.

9. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting, and to make an appropriation to cover the expense of such audit.

10. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and forty-nine.

VERNON LEWIS,
J. EDWARD STEVENS,
GEORGE B. STEVENS,
Selectmen of Kingston.

A true copy of Warrant—Attest:

REPORT OF THE LIBRARIAN

The Librarian and trustees are justly proud of the new heating system which was installed last summer, replacing the old furnace which was unsafe and inadequate to heat the building, having served its purpose for fifty years. The comfort of the warm library now makes it possible for the public at all times to enjoy the reading room with its fine collection of magazines.

Necessary repairs have also been made including painting the exterior woodwork.

The New Hampshire State bookmobile, made available by the Legislature, now visits libraries in the southern part of the state every eight weeks, leaving a collection of books each time, for local circulation.

This is the third bookmobile owned by the New Hampshire State Library Commission, the other two giving service to the northern counties of the state.

Respectfully submitted,

GLADYS MERRICK,

Librarian.

Superintendent's Annual Report

To the School Board and Citizens of Kingston:

It is with pleasure that I submit my second report as Superintendent of your schools.

The major problem facing all of us today is finding the money to give our children the type of education they should have. All phases of education are costing more money and there seems little chance of a recession. Studies show that our elementary schools will have a large increase in enrollment during the next 8-10 years and we will feel this in the High Schools after 1960. It is hoped that some form of State or Federal legislation will aid this situation financially in the near future. This item needs your active support so that property tax will not continue to carry such a heavy burden.

Guidance

No school can have an efficient instructional program without knowing what it is accomplishing. It must know what is happening to boys and girls as well as what it is teaching them. The children in your schools are being given new type intelligence tests this year that measure both verbal and non-verbal. These tests will tell what a child is thinking as well as doing. Parents are urged to consult with teachers concerning their child's school progress.

The tests are being corrected and processed in the Superintendent's office thus saving much valuable teacher time. Standardized Achievement tests will be given next year.

Repairs

The School Board has purchased black-out curtains for the auditorium. These are necessary for showing motion pictures. The walks in the rear of the building have been tarred and the small water pump replaced with a larger one.

Teachers

Kingston is fortunate in retaining a veteran teaching staff which is an asset to any town. Fine work has been done in public assemblies and art work.

P. T. A.

The P. T. A. has raised sufficient money to purchase a motion picture projector for the Bakie School. This is a fine gesture and will greatly aid the teachers in furthering better education. The hot lunch program continues to be one of the best in the State. The citizens of Kingston should be proud of their P. T. A. and should give thanks for the fine work they are doing.

An Invitation

The Bakie School is yours! Why not visit it while in session? Teachers welcome visits of parents to class as well as to public assemblies. The home and the school should cooperatively work together for the development of your children. Parents should take a little time to acquaint themselves with school problems and get to know the teachers and accept them as friends. Greater public participation in school affairs is a crying need in this community deserves your support.

In closing I wish to express my appreciation to the School Board, teachers, pupils and citizens of the community for their hearty cooperation during the past year.

Respectfully submitted,

ARTHUR W. DANIELSON,
Superintendent.

Report of Music Teacher

To the Superintendent and School Board of Kingston,
New Hampshire:

I hereby submit the annual report of the music department.

Musical activities in the Bakie School have been numerous and profitable this year.

During the spring term, the pupils presented a spring pageant. The original intentions were to present it outdoors, but due to the unsettled weather it was necessary to give it at the Town Hall. This production was very successful even though there were many changes to be made for an indoor performance. The teachers and parents worked very hard on the costumes and their help was greatly appreciated.

The fall activities began with a program which was given for the Plaistow Parent Teachers' Association at Plaistow. This program was repeated at Epping and Kingston.

In addition to the above, the usual program has been carried out. Each child has been given instruction in music theory, music appreciation and folk dancing appropriate to his grade. The pupils enjoy their music and are willing students. Great interest is especially shown in folk dancing.

It is the aim of our school program to give a broad intellectual experience and to present it in such a way as to create interest and enthusiasm. It is hoped that through the above named activities our aim has been accomplished.

In conclusion, I wish to express my appreciation to the School Board, superintendent, teachers, parents, pupils and other citizens for their continued cooperation in the accomplishment of my work.

Respectfully submitted,

PRUDENCE HAYES.

Health Supervision

To the Superintendent of Schools and School Board of Kingston, N. H.:

Of the 139 pupils examined during the school year 1947 - 1948, the following cases were found and treatment was given as indicated.

	No. Cases	No. Receiv. Treatment	No. Correct. or Imp.
Underweight	8	5	3
Defective Vision	3		3
Nervous Condition	5	5	
Skin	2	2	
Posture	3	3	
Defective Teeth	19		5
Diseased Tonsils	5		3
Enlarged Glands	7	4	
Defective Speech	5	5	
Breathing	3	3	

The health of the school children during 1947-1948 was very good. No serious epidemics occurred.

The annual health examination of eyes, ears, teeth, throats, etc., was made in the early part of the school year. This was followed up with home calls for the correction of physical defects found, and other conditions which would result in having healthier and happier children.

The usual health program is being carried on with frequent visits to the schools, close contact with each pupil, teacher and parent.

Our greatest need is dental work. It is impossible to secure the services of a dentist for clinic work. This condition exists all through the State. I ask the parents to secure the services of a family dentist, and to take their children to him at least once a year.

The P. T. A. is to be complimented on its fine hot lunch program. None surpasses it in the State. It has proved an important factor in building good resistance against diseases.

I sincerely thank the School Board, organizations, teachers and parents for their fine cooperation.

Respectfully submitted,

CONSTANCE COOPER, R. N.
